

# 2004 California Alternate Performance Assessment (CAPA)

## Number of Test Items and Testing Time Required

Testing times for the CAPA are approximate. This assessment is administered individually, and the testing time varies from one student to another, based upon factors such as the student's response time and attention span.

Content Area	Grades 2–11	
	Items	Time
English-Language Arts	9	25 Minutes
Mathematics	9	25 Minutes
Science (field test)	*9	25 Minutes

<sup>1</sup>February 2004

CAPA Levels	
Level	Grades
1	2 through 11
2	2 and 3
3	4 and 5
4	6, 7, and 8
5	9, 10, and 11

\* The science field test is included in CAPA Level 3 for grades four and five and in CAPA Level 5 for grades nine, ten, and eleven. Students in grades five and ten who are taking CAPA Level I also will take the science field test. Level 1 is given to students in grades two through eleven with developmental levels of 0 through 24 months.
